MEMORANDUM FOR: Associate Deputy Director for Intelligence

SUBJECT : Request for Permission to Speak to  
High School Class

1. I request approval to speak to my son's class in Modern World History at Walter Johnson High School in Bethesda, Maryland. My son and his teacher have asked me to give a talk on the Middle East and Africa.

2. With regard to the Middle East I propose to discuss mainly current developments in Lebanon but with some references to related events elsewhere in the area. The discussion on Africa would focus on developments in southern Africa and the Horn of Africa. In both instances I would be speaking in fairly basic and general terms and would attempt to put what is happening in these areas into a historical perspective. The talk would be unclassified.

3. I would, of course, avoid commenting on US policy in these areas. My opinions would be confined to what I perceive is happening rather than what we should do about it.
